

NEW HAMPSHIRE - The Local Tier of Funding

New Hampshire does not have any records for local measures in TPL's LandVote database, because conservation measures are passed through town meetings rather than ballot measures.

Conservation Funding Approved at Town Meetings in New Hampshire, 2001-2010

(Data provided by Matt Leahy, Society for the Protection of New Hampshire Forests)

(Data originally compiled by Chris Wells, Society for the Protection of New Hampshire Forests)

Note: Data includes only conservaton funding approved directly by voters at Town Meeting, does not include funds approved by City Councils
